How to schedule your private lessons

Tell us your local time. This will help us in accurately scheduling your private lessons so both you and your teacher know exactly what time to meet.

Select Voice or Text discussion. You'll meet your teacher in a Voice or Text discussion room. This means your teacher will conduct the lesson either orally or by typing on the keyboard. Click here for [system requirements](#).

Tell us when you'd prefer to meet with your teacher. Check off the days and times that would work best for you. Each lesson lasts 50 minutes.

Confirm your schedule. Your teacher will contact you via email within 3 days. You and your teacher will then arrange a specific date and time for your first lesson. Each time you complete one of the 4 units, you will meet with your teacher.

Start your studies. Remember, you can begin your course right away.
